# ERIC BOMPARD CACHEMIRE

**This year again, the Eric Bompard Company will support the eponymous trophy for the eighth consecutive year.**

**Economic situations are tough and all our commitments, may they be concerning sports, charitable or cultural, must be monitored with lots of precision according to the fact that the needs increase in all sectors even though the capacities of the firms decrease on the other hand to benefit the public authority, the state, the tax system and contributions of all kind.**

**Unfortunately, companies are now on a hard ground and the visibility feedback of their investment must be absolute. May the 2011 trophy join the expectations and may the show reach the top for the best pleasure of all ice sports fans.**
